

We are delighted to announce that our companies' names and status, namely **CREATIONS & PARFUMS** and **FLORESSENCE**, will be changing to **NEROLI France** as of January 1st, 2022. This change marks the merger of our companies and confirms our position as a strong actor in the French fragrance industry, gathering several houses and activities. FLORESSENCE and CREATIONS & PARFUMS will of course remain active brands, each with its distinct image and philosophy.

Nevertheless, this announcement confirms that all our purchasing orders, tax, financial and administrative documents will be amended after January 1st, 2022, with the name **NEROLI France**.

Furthermore, the Community Council Agglomeration of the Pays de Grasse recently validated a new name for its industrial activity park in Saint Cézaire, where FLORESSENCE has been operating since 1996. The area formerly known as "la Festre Sud" becomes "Les Hauts de Grasse". Town Hall also informs that, following the new name for the area, the Town Planning Department is installing new directory signs and standardizing street indications to improve traffic circulation in the park. Thus, we seize the opportunity here to formally introduce **NEROLI France's** full street address:

Parc d'activités Les Hauts de Grasse
221 allée des Arômes
06530 SAINT CEZAIRE SUR SIAGNE
